REMARKS			

- A. EAVA 27200 (Not Sent Salzburg)  
B. EUSA 59-2128 and Separate Cover Attachment

1. EUSA can accommodate GRICE for refresher training during the period 30 April - 6 May and GRGIVING during the period 25 June - 1 July. Either of identities 4 and 5 of reference 2 and their respective verbal recognition signals are acceptable as meeting sites. Identity 2 of reference 2 is to be used for emergency purposes if required. Please provide each agent with visual recognition signals and inform us of their dates of arrival and meeting times as soon as known.

2. However, we propose as an alternative to conduct a portion of their respective training periods "in the field" since neither GRICE nor GRGIVING has had a field exercise in quite some time. Instead of the agent making the trip to Frankfurt, it is suggested they be met in Munich, spend a day on review in a safehouse and for the remainder of their training periods, conduct "on the air" contacts from a campsite outside of Munich.

3. For field exercises conducted in the past it has been our practice to provide, in addition to the training officer, only the necessary communications equipment and materials. If the proposal of paragraph 2 is acceptable, perhaps we can prevail upon ARB officials to provide camping equipment and make safehouse and meeting site arrangements in Munich.

FOR THE CHIEF, EUSA
